Excellent Communication Skills

Design Skills  
Computer Programming

Driving License  
Good team player

## ◦ HOBBIES ◦

Electronics, crafting, driving, fixing stuff.

## ◦ LANGUAGES ◦

Polish

English

German

## 👤 PROFILE

Passionate IT-Guy who likes software and hardware. I like to see the result of my work and to make it so others can see it. I like to work with other people as much as I like to speed time with them, motivate them and discuss. Everything I do, I do carefully with a lot of precision and accuracy, so that way there's not much to correct on the way.

My every previous workplace was an experience I needed. It is my research to check and see how it is on the other side before I start doing something related to my future. On paper they don't tell much but I assure you, they told me more than one story.

## 📁 EMPLOYMENT HISTORY
